CURRULLUM VITAE

- SURNAME   : Sande
- FIRST NAME   : Kelvin
- SEX   : Male
- NATIONALITY   : Malawian
- DATE OF BIRTH   : 19-12-1996
- **CONTACT INFORMATION**
  -Telephone number: +265882590389
  -Contact address:

    University of Malawi

    The Polytechnic

    Private Bag 303

    Chichiri

    Blantyre 3, Malawi

  -Email address: kelvinsande9@gmail.com
- **EDUCATIONAL BACKGROUND**
  MSCE
  Institution: Viphya (pvt) secondary school

PROFESSIONAL QUALIFICATION

1. **Computer Engineering**

   Institution: University of Livingstonia

   I am currently pursuing Computer engineering at University of Livingstonia.

   Modules covered
   I. Statistics and probability
   II. Calculus
   III. Data structures and algorithms
   IV. Circuit theory
   V. Computer networks and security
   VI. Christian leadership

2. **Electrical and electronics engineering**
I. **Engineering Project Design**

   Institution: University of Malawi the Polytechnic

I designed a Mobility Aid for the blind that could sense obstacles in the user's path, notify the blind person through a buzzer and read road signs to the blind person.

II. **Advance Diploma in Electrical and Electronic Engineering**

Institution: University of Malawi the Polytechnic

Modules covered
   I. Electrical and Electronic engineering Principles
   II. Project Management
   III. Analog Design
   IV. Digital Design
   V. Business Management

III. **Diploma in Electrical and Electronic Engineering**

Institution: University of Malawi the Polytechnic

Modules covered
   I. Power supply, analogue and digital circuit principles and fault finding
   II. Principles of electrical and electronic engineering
   III. Engineering health and safety
   IV. Engineering principles
   V. Electronic power control principles and practice
   VI. Maintenance of electrical equipment and systems

IV. **Certificate in electrical and electronic engineering techno Modules covered**

Institution: University of Malawi the Polytechnic

Modules covered

   I. Principles of engineering technology
   II. Construction testing and fault finding of electronic circuits
   III. Working in engineering
   IV. Wiring and testing electrical circuit of electrical and electronic
   V. Principles of electrical and electronics technology

PROFESSIONAL EXPERIENCE

2017 (internship) Telekom Networks Malawi (TNM)

- Salesperson

2017 Telekom Networks Malawi (TNM)

- Sim registration officer

2019 - 2020   Telekom Networks Malawi (TNM)

- **Sim verification officer**
  - Verifying data of registered customers

PERSONAL SKILLS

1. **Computer Programming**
   - HTML and CSS
   - JavaScript
   - C++
   - Python
   - MySQL
2. **Certified in Electronics (home gadgets) repairing by Sanwecka Tech Companions in partnership with TEVET**
3. **Digital Marketing**
4. **Designing Houses**

HOBBIES

Playing guitar, coding, watching football, listening to music and watching movies
